WILDERNESS AIR WEIGHT & LUGGAGE RESTRICTIONS PERTINENT TO ALL LIGHT AIRCRAFT TRANSFERS:

Please note that there are specific limits applicable when travelling with the services of Wilderness Air charters on a seat or circuit rate basis:

- 1) Luggage, including camera equipment and hand luggage, is restricted per person travelling on seat rates, as follows:
 - a. 20kg (44lbs) in Botswana, Namibia, Zambia and Zimbabwe
 - b. 20kg (44lbs) in South Africa
- 2) Only soft bags will be accepted - no wheels, frames or rigid structures can be transported as they physically cannot fit into the aircraft.
- 3) The maximum dimensions of the soft bags which can be accommodated are as follows: 25cm (10 inches) wide x 30cm (12 inches) high and 62cm (24 inches) long. Should your guest require a bag, we do have a supply of soft nylon carry-all bags at a reasonable cost. These bags are ideal for use on light aircraft and are the correct dimensions. Please keep in mind that the baggage compartments on the light aircraft are only 25cm high (10 inches), so the pilots must have the ability to manipulate the bag into the compartment.
- 4) A collapsible wheeled luggage frame/trolley (separate to the bag) is allowed, as long as basic dimensions are similar to that of the bag.
- 5) Please inform us in advance if guests weigh more than 100kg (220lbs) as additional weight allowance on the aircraft must be purchased for safety and comfort. The costs for this are calculated on request according to specific region and routing, and provides for a maximum of 70kg (154lbs) excess weight.
- 6) These limits are applicable to guests travelling on a seat rate basis so may differ if guests have booked on a sole use or private charter option in which case the maximum's depend on the type of aircraft and the number of passengers booked.
