

TREASURER'S REPORT
2010

This being my last report to Bishop Howe, I would like to express my deepest appreciation to him, his gifted staff, The Venerable John McCann, Mr. John Yeager and the Finance Committee for the outstanding job they do for the diocese, especially in these volatile times.

My prayers and sincere best wishes will follow Bishop and Mrs. Howe in their retirement.

My basic responsibility as Treasurer is to report to the Diocesan Council the financial condition of the diocese on a timely basis. I attend all Council and Finance Committee meetings, review all monthly financial reports and examine the the audit prior to it's publication. Included in my reports is the current status of the Commingled Fund in which many of our parishes participate. Other duties include chairman of the Assessment Review Committee and Trustee of the St. Luke's Endowment.

Respectfully submitted:

Robert L. Smart
Treasurer
